

Lake Michigan Monitoring Coordination Council

Spring 2008 Teleconference

Tuesday, May 27, 2008

1:30 – 4:00 p.m. EDT / 12:30 – 3:00 p.m. CDT

Teleconference Goals: (1) To determine priority monitoring, research-related-to-monitoring, and other needs to be addressed by Lake Michigan stakeholders; (2) To provide a kick-off/preview to the 2010 coastal condition report and Lake Michigan intensive monitoring year; and (3) To share information on other programs, projects and tools applicable to Lake Michigan monitoring and to foster communication among all Lake Michigan monitoring stakeholders.
